DNEVI EVROPSKE KULTURNE DEDIŠČINE  
THE EUROPEAN HERITAGE DAYS

Moravče, April 2020

Hello,

we will not be able to make this live due to outbreak; so this year's Ex tempore will be out of quarantine.

Each mentor will select 3 students to paint a picture or make a drawing.

Teacher will be able to upload artwork into online folder I already created. Below is the link to this folder with all the instructions.

This year's gallery will be published on the school's website and the website of the ART shop Ljubljana store, which is our sponsor.

The deadline for submission of works will be 1.6.2020.

We will create an online gallery in June.

Particularities (jury, ceremony, etc.) are still being discussed.

The appeal was sent abroad. We already received something from Macedonia, artworks from Latvia are done, waiting to be sent. In other words - It's happening!

Please let me know by email who is willing to participate. They will receive detailed instructions and a link.

Thank you for your understanding and I hope that we do not lack enthusiasm and creativity in the future.

Greetings,  
Inge Ivartnik
