On Primary school, Jurij Vega from Moravče and Primary school Dob made a decision to organization 27th international children Ex tempore in Slovenia.

The topic of this year's Ex tempore is **History of my town**. We collaborate with Primary school Dob because Dob celebrate of 800th the anniversary of the place.

This year's theme can include everything related to your natural and architectural heritage of your town (buildings, trees and markets, signs, chapels).

We do not limit the techniques of visual arts; formats must be A3 or smaller, what is required, is that the works of visual arts reach us undamaged and that they should be originals – not reproductions. They should not be older than a year. Your works of visual arts are expected to arrive by 4th of May 2023 the latest. After the selection we will make an exhibition in Castle Tušanj. We will publish all children works on our school web page. We will not return the works sent, they will be kept in our foundation, however, our sponsors will get some of them.

Who can participate? Pupils and children, applied by their schools, parents or representatives. Older children can apply by themselves. Each author can participate with one original work. On artwork mentor and school should be labelled. Mentors are asked to send list of their participants (name and surname) via e-mail.

As a rule, there should be 3 pupils per mentor.

Artworks will be classified according by age groups:

- I. **Level** – children from 9 to 12 years old
- II. **Level** - children from 13 to 16 years old.

All the participating authors and their mentors will get a certificate of participation and the authors of selected and exhibited works will get a golden, silver and bronze award from the 27h Ex tempore.

If feasible, the selected works will be exhibited in the premises of the Ministry of Agriculture, Forestry and Food.
