You are kindly invited to participate in
the 28th international
EX TEMPORE 2024 -
which will take part in May 2024 at Primary school, Jurij Vega, Slovenia

On Primary school, Jurij Vega from Moravče we made a decision to organize 28th international children is Ex tempore in Slovenia.

The topic of this year's Ex tempore is **My school, my home**.

This year's theme can include everything related to your school. Pupils can paint **buildings, environments, school activities, impressions**.

We do not limit the techniques of visual arts; formats must be **A3 or smaller**, what is required, is that the works of visual arts come to us undamaged and that they should be originals – not reproductions. They should not be older than a year. Your works of visual arts are expected to arrive by **8th of May 2024** the latest. After the selection we will make an exhibition in Castle Tušanj. We will publish all children's works on our school web page. We will not return the works sent, they will be kept in our archive, however, our sponsors will get some of them.

Who can participate? Pupils and children, applied by their schools, parents or representatives. Older children can apply by themselves. Each author can participate with one original work. On each artwork mentor and school should be labelled. Mentors are asked to **send list of their participants (name and surname) via e-mail**.

As a rule, there should be 3 pupils per mentor.

Artworks will be classified by age groups:

- I. **Level** – children from 9 to 12 years old
- II. **Level** - children from 13 to 16 years old.

All the participating authors and their mentors will get a certificate of participation and the authors of selected and exhibited works will get a golden, silver and bronze award from the 28th Ex tempore.

All the authors of the exhibited works, their mentors and their parents will be invited to the opening.
